# **READY FOR TOMORROW. TODAY.**

MSME SECTOR OF WEST BENGAL

## UNIQUE CLEARANCE CENTRE (UCC) Single window to fast-track land clearances

**T**o address the issue of mutation and conversion of land, the Government has set up Unique Clearance Centres (UCC) in select districts having high potential for industrialization. These centres are dedicated to mutation and conversion of all land procured to set up an industry. For an entrepreneur, it provides a single window for land mutation and conversion cases. Entrepreneurs do not need to visit offices of Land Department for land clearances. A UCC in DL&LRO's office works exclusively for mutation and conversion of industrial land. It renders necessary technical assistance to expedite all land clearance particularly mutation and conversion of industrial land within agreed time frame. UCCs are functional in Howrah, Jalpaiguri, Bankura, Hooghly

and Burdwan. UCC at Uttar Kanya becomes functional from 20 January 2015.

The Government has also laid down a time frame to complete mutation and conversion in 41 Blocks of 11 Districts that have a high prospect for industrialization. Special Team for Mutation and Conversion (STMC) with dedicated staffs looks after the mutation and conversion cases of industrial land in these Blocks.

### **Districts where UCC is functional/about to start**

- Howrah
- Jalpaiguri
- Bankura
- Hooghly
- Burdwan
- Purulia
